

Advent 2 Homework - Year 1

	Activity	Parent comment	Teacher comment
<p align="center">Project <i>Ongoing throughout Advent 2</i></p>	<p>This half term we are focussing on Science and materials. We are linking this to traditional tale stories and thinking about what the best materials are to use for a purpose.</p> <p>Now that we have assessed the children's knowledge and skills, we would like to focus on reading, phonics and maths in their home learning for this term. There may be ad hoc stickers in the diaries to engage with other areas of learning.</p> <p>Please also feel free to let the children to bring in any learning they have led themselves at home as it is so fantastic to see what sparks their interests.</p>		
<p align="center">Basic Skills - Number and measure</p>	<p>Log on to Numbots and Times Tables Rockstars (password in reading diary) to practice basic number recall.</p> <p>We are also covering Fractions (half and quarters) and Time (telling the time to the hour and half past) in addition to + - x and ÷ this half term.</p>		
<p align="center">RE</p>	<p>Our focus this half term is "Do we need to prepare?" in anticipation of the Advent celebrations.</p> <p>We will be talking about how we prepare for Advent as families and at school. It would be lovely to hear about anything different you are doing this year or traditions that you have as a family.</p>		
<p align="center">Spellings</p>	<p>Please use Spelling Shed (password in diaries) to practise phonics and spellings. If you can't access Spelling Shed please speak to the class teacher or there is a paper copy available to the children in class also.</p>		
<p align="center">Reading</p>	<p>Please support your child by reading with them at least <u>3 times per week</u>, it really does make a difference!</p>
