

Summer 2 Homework – Year 2

	Activity	Must/Should/Could	Parent comment	Teacher comment
Project <i>Due in Monday 10th July.</i>	<p>This half term we are thinking about great inventors. Our question is 'Did the Wright brothers get it right?'</p> <p>Can you research other famous inventors from history? What has been the most important invention? Could you invent something and show off your planning and engineering skills?</p>	<p>Must: Name some famous inventors from history Should: Talk about the inventions that have the world a better place Could: Research and use different sources to find out about different inventors.</p>	<i>(Has your child enjoyed the work? How independent have they been? What further learning might they benefit from? Anything else you would like us to know Etc.)</i>	
Basic Skills – Number <i>Ongoing (no written work required to be handed in)</i>	<p>Recall facts from the 2 x 3x 5x and 10x tables. Recall the inverse division facts for these times tables Add and subtract numbers mentally: two 2 digit numbers</p>			
Basic skills – Shape and measure <i>Ongoing (no written work required to be handed in)</i>	<p>Name the properties of 2d and 3d shapes Use addition and subtraction in measuring. Use appropriate language for position, direction and movement.</p>			
Basic Skills – non-negotiable spellings/or a spelling rule <i>Ongoing (no written work required to be handed in)</i>	<p>Spellings to learn: See common exception words list attached in reading diaries.</p>			
Reading Challenge	<p>What books could you recommend for Year 2 reader over the Summer? Can you put together a Summer reading list for your class?</p>
