

## Spring 1 Homework (Y6)

	Activity	must/should/could	Parent comment	Teacher comment
<b>Project 5<sup>th</sup> February</b>	Design a new medicine/healing potion and use ingredients in your home to mix them together. Measure accurately and write a list and accurate measurements. E.G. 100ml Washing up liquid, 50ml Shampoo... Write a description of what your medicine does to help your body and what illness it can help!	<b>Emerging – Can you confidently use the internet as a research tool?</b>  <b>Met – Can you confidently use a range of technology and the internet as a research tool?</b>  <b>Embedded – Can you reference information sources?</b>	<i>(Has your child enjoyed the work? How independent have they been? What further learning might they benefit from? Anything else you would like us to know Etc)</i>	
<b>Basic skills – Calculations Ongoing</b>	Maths revision activities (weekly)			
<b>Basic Skills – 22<sup>nd</sup> January</b>	Look around in the January sales. Find three items that have been reduced in price. What was the original price? How much is it now? How much has the products been reduced by? Compare the three products to show which has had the greatest/least reduction and which is the better offer.	Can you recall and use equivalence between simple fractions, decimals and percentages, including in different contexts?  Can you associate a fraction with division and calculate decimal fraction equivalents?		
<b>Basic Skills – non-negotiable spellings/or a spelling rule</b> Occasional tests throughout the half term / learnt spellings to be seen spelt correctly in written work	<u>Topic spellings:</u> Circulatory Medicine Heart Vessels Exercise Pulse Transports Capillary Artery Vein <b>Weekly spellings to follow.</b>	Be able to write a definition of each word and put it into a sentence.		
<b>Reading Challenge 29<sup>th</sup> January</b>	1. Answer comprehension questions (weekly)  2. Read the poem that George creates for his medicine (P15-16 of George's Marvellous Medicine). Write a poem of your own for your medicine. Be as creative as you like with your vocabulary choices.	Can you answer questions about a text?
