

FEM NEWS FEBRUARY 2019

FILM NIGHT

Due to the screen in the hall being out of order, we are unable to run next weeks scheduled film night. We are looking at alternatives which are likely to take place after half term. Please accept our apologies for the inconvenience.

KS1 ACTIVITY BOXES

We have been asked to put together some activities to help entertain the KS1 students at lunchtime. We have already handed over the first box, a bird watching kit to coincide with the RSPB Big Garden Birdwatch. Over the coming weeks we will be providing dolls, a doodle box, magazines, bean bags and a new table.

To help keep costs down, if you have any pre-loved magazines (wildlife focused, sports related etc.) or dolls at home that you would be willing to donate please let us know and we will arrange a specific week for drop off. Thank you.

KS2 PLAYGROUND FACILITIES

Recently the FEM met with a group of KS2 students who have put a lot of time and research into how we can improve the school playground facilities. We are pleased to announce we will be supporting this great project opportunity through funds raised this year from FEM events. Watch this space for further developments and news as we kick start the project off and we will keep you informed along the way. To realise some of their ideas we will be looking for help from painters, gardeners, patio layers, DIY to drill things on external walls... If you or anyone you know can help please let us know and we will be in touch. Many thanks for your continued support.

GOOD BYE and GOOD LUCK

We would like to thank Joanna, Tomasz, Franek and Hanna for all their support these 7 years. We wish them all the happiness in the world as they start their new adventure.
