

# English Martyrs' Chaplaincy Newsletter Advent 2019

It's a new year therefore a new chaplaincy team. We are the chaplaincy team of 2019/20 and here to make this year better than ever. Remember that the time is ordinary time, so the colour to use in the liturgies is green. We are here to support you and guide you through this journey in RE, catholic life and collective worships.

We are the chaplaincy team. We all applied at the end of year 5 for this job, and we were chosen by the teachers. This year we have split into three groups: Gospel Team, Prayer team and Liturgy Team. The Gospel Team will help improve our RE standards. The liturgy team will help plan multiple liturgies. And the Prayer Team will help monitor the RE resources and corner. Our aims this year are to promote God and Jesus throughout the school, and to introduce the younger people in our school to God and Jesus.

A prayer we have found for you:

Holy father, you call us to be holy  
as you are holy

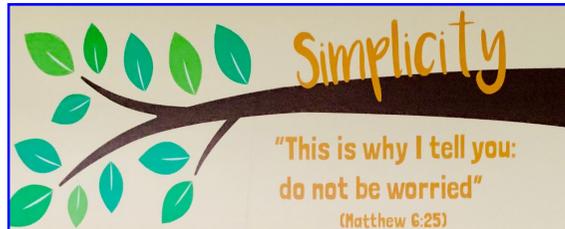

We pray to you that in our church  
There may never be lacking serv-  
ants and apostles

Our father, with the voice of the  
Holy Spirit

We call fervently to you  
Send our church priests

Who are courageous witnesses of  
your infinite goodness.

Amen.

Last year, our charity's did so well that classes have a new challenge and charity to support. For example; the chaplaincy team's charity is Cafod. We are going to be following Cafod's new scheme to brighten up our world and our lives. The teachers have already started supporting their charity, cystic fibrosis by holding a breakfast morning at school.

This year we have had some new artwork put up in the school, so there are splashes of colour everywhere. However, our most important artwork is above all ten classrooms. Our gospel values. Our aim is to think how we can live out the gospel values each and everyday of our lives as Catholics.

We have our own blog page now, so please take a look!!! It will be updated every week, if not every day!
