

# Chaplaincy Team Newsletter

## Lent Term

### Who are we?

We are the Year 6 Chaplaincy Team.

Our team will go throughout the school to help others understand religious beliefs and actions. We have meetings regularly to discuss ways that we can bring the faith in our school and to align this with their school work. Also, ways we can put our faith into action.

### What did we get up to during the Advent term?

During our Advent term, we gave each class a charity. The charities we chose to support can be found in the picture on the left.

Some of our school members (Year 6) started their Faith in Action Award to show how they can put their faith into action.

Keep an eye out on our school website for more!!

### What's happening during Lent term?

Every year during Lent, our Year 3 and Year 4 children perform a production for the school and their relatives. They are invited to come along to enjoy the Easter performance, showing how Jesus died for us. There will be hymns that bring us together in unity with Jesus. Every child has a role in the production.

During our Lent term, we will celebrate Ash Wednesday in school. Parents and family members can come along too. The Chaplaincy team will burn paper, which will have our sins written on it, then use these ashes to place on everybody's forehead.

At the end of Lent term, there will be the Stations of the Cross or an Easter Liturgy. This is a time when we reflect on Jesus' journey as he died for us. Parents are invited to join this celebration.

In October, every class was given a charity to work on throughout the year. During Lent, we, as a Chaplaincy team, will be focusing on our charity - raising money and awareness. We are looking forward to this.
