

English Martyrs' Chaplaincy Newsletter Lent 2020

It's a new term and we are so excited to carry on chaplaincy with the year 6 and the rest of the school!!

We have three Chaplaincy teams and this term it's time to change a round a little bit.

We have been really good at updating our blog page and now we are ready to keep updating our blog page every day with exciting stories on the wonderful liturgies for you to enjoy.

We are the chaplaincy team 2019/20 we have a prayer team, a gospel team and a liturgy team. We are also here to answer any questions you may have throughout the school about your religious life. During different weeks we have words to show and we will also plan liturgies around this theme for example one week (24.11.19) our word is youth.

Charity events

This term we have already done many charity events. So far we have had a children in need breakfast we have also had cake sales and the yr6s have also had a youth fun day/Sunday. During this event the yr6s watched a live stream lead by the briars on the channel NDCYS. This was a very special day for the yr6s as we went to briars and had so much

The year of the word is important because God's word is important. As the chaplaincy team, we try our hardest to spread this word by doing it.

In our chaplaincy we try our hardest most of all the Gospel team as this is their mission as it is the year of the word.

This year we have been focusing on the year of the word. We do this because we want to celebrate the scripture God gave us. Our Chaplaincy team has been named after the Year of the Word and we cannot wait to share our exciting pieces of work with you.

We have our own blog page now, so please take a look!!! It will be updated every week, if not every day!
